

Adam Sandler

Somebody kill me

E B7 Asus2
You don't know how much I need you
E B7 Asus2
While you're near me I don't feel blue
E B7 Asus2
And when we kissed I know you need me too
E B7 Asus2
I can't believe I found a love that's so pure and true

E B7 Asus2
But it all was BULLSHIT
E B7 Asus2
It was a god damn joke
E B7 Asus2
And when I think I'm healing up
E B7 Asus2
I hope you fuck'in choke

E B7 Asus2
I hope that you're glad with what you've done to me
E B7 Asus2
I lay in bed all day long feeling melancholy
E B7 Asus2
You left me here all alone tears running constantly

E B7 Asus2
Oh somebody kill me please
E B7 Asus2
Somebody kill me please
E B7 Asus2
I'm on my knees pretty, pretty please
E B7 Asus2
Kill me !!!

E B7 Asus2
I want to die
E B7 Asus2
Put a bullet in my head
