vers 1

Oh baby baby how was I supposed to know,
something wasn't right here.

Oh baby baby I shouldn't have let you go,
and now you're out of sight.

brú

Show me how you want it to be,
Tell me baby cos I need to know now just because

viðlag

My loneliness is killing me, and I
I must confess I still believe, still believe,
When I'm not with you I lose my mind, give me a
sign
And hit me baby one more time

vers 2

Oh baby baby the reason I breathe is you,
girl you got me blind
Oh pretty baby there's nothing I wouldn't do,
It's not the way I planned
